

What is the Legal Pack Service?

The Legal Pack Service is a peace of mind service that can be found in **Document > Legal Pack Service**

The screenshot shows a web interface with a top navigation bar containing tabs: My office, Select all..., Company, Person, Filing, Documents, Companies Hse, and Sign out. A dropdown menu is open under the 'Documents' tab, listing options: Cloud library, Register Centre, Datasheet, Legal Pack Service (highlighted with an arrow), Director, Secretary, Dividend minute/resolution, Shares, Accounts approval, Change company name, Minutes & Resolutions, PSC Notices (Beta), and HMRC Form 42. The main content area features a section titled 'LEGAL PACK SERVICE BESPOKE DOCUMENTS FOR SPECI' with a sub-heading 'ASK A QUESTION'. Below this is a text input field for asking a question. At the bottom, there is a 'Call me on this number' field with the value '0123456999' and three buttons: 'Request a call', 'Email me', and 'Cancel'.

When you feel you require technical or bespoke legally binding documentation, then your questions can be left here, using the **Ask a question** field, it will be picked up by First Corporate Law Services (FCLS) who will research the issue on your behalf, and give you a call, or send an email, depending on which response option you select.

This first phone call is a no obligations call, they talk about what the accountant will need to do, they quote on a case by case basis, at a fraction of the cost of a solicitor. If you choose this option then they'll complete the work for you, and leave the documents in the Cloud library after completion (**Documents > Cloud library**).
